

BNF Chapter 14 – Immunological Products and Vaccines

14.4: Vaccines and antisera

- Immunisation for travellers overseas (1995); Department of Health
- Travellers Health (1997); Medical Advisory Service for Travellers Abroad
- Managing childhood pneumonia DTB 1997; 35 (12): 89-92
- Evaluation of the effectiveness of immunization delivery methods; (1994) DARE-assessed review
- Anthrax vaccines, Cochrane Database of Systematic Reviews (complete)
- Efficacy of BCG vaccine in the prevention of tuberculosis: meta-analysis of the published literature; (1994) DARE-assessed review
- Drug resistant tuberculosis, DTB 1995; **33** (4): 28-29 (Correction 1995; **33** (7): 55)
- Cholera prevention: vaccines, Cochrane Database of Systematic Reviews (complete)
- Combined Hepatitis A and B vaccines, DTB 1997, 35, 84-86
- Prevention and control of hepatitis A, DTB 1994; **32** (2) 9-11
- In Focus: Hepatitis A vaccination (Havrix), CP November 1994; **20**: 16
- HB vaccines in health-care workers, Cochrane Database of Systematic Reviews (complete)
- Review: protective efficacy of hepatitis B vaccines in neonates; (1994) DARE-assessed review
- Summary of the revised influenza immunisation policy (1998), DoH
- Influenza vaccination in asthma: efficacy and side-effects, 1998, Cochrane Database of Systematic Reviews (complete)
- Influenza vaccination and older people, EM 1996; **2** (1): 1-4
- The efficacy of influenza vaccine in elderly persons: a meta-analysis and review of the literature; (1995) DARE-assessed review
- NEW** • Efectividad de la vacunacion antigripal en los ancianos. Una revision critica de la bibliografia.[Influenza vaccine effectiveness in the elderly: a critical literature review], 1995, DARE-assessed review
- Malaria vaccines, Cochrane Database of Systematic Reviews (complete)
- Secondary failure rates of measles vaccines; a meta-analysis of published studies; (1996) DARE-assessed review
- Non-specific beneficial effect of measles immunisation: analysis of mortality studies from developing countries; (1995) DARE-assessed review
- Plague vaccines, Cochrane Database of Systematic Reviews (complete)
- The place of pneumococcal vaccination. DTB 1998, 36,; 1998, 36, 73-76
- Efficacy of pneumococcal vaccination in adults: a meta-analysis of randomized controlled trials; (1994) DARE-assessed review
- NEW** • Vaccination against Pseudomonas aeruginosa in patients with Cystic Fibrosis (1998), Cochrane Database of Systematic Reviews (complete)

- Tick-born encephalitis (TBE) vaccine: Cochrane Database of Systematic Reviews (complete)
- Efficacy and toxicity of typhoid fever vaccines, 1998, Cochrane Database of Systematic Reviews (complete)
- NEW** Typhoid fever vaccines: a meta-analysis of studies on efficacy and toxicity (1998), DARE-assessed review
- NEW** The contribution of the case-control approach to vaccine evaluation: pneumococcal and haemophilus influenzae type B PRP vaccines (1996), DARE-assessed review
- The DTP vaccine and the infant sudden death syndrome. Meta-analysis (1996), DARE-assessed review
- Adverse reactions to Measles Rubella vaccine, CP November 1995; **21**: 9-10

14.5: Immunoglobulins

- IV immunoglobulin therapy (1997), Northern & Yorkshire Regional Drug and Therapeutics Centre
- Prophylactic intravenous immunoglobulin (IVIG) in preterm and/or low-birth-weight neonates, Cochrane Database of Systematic Reviews (complete)
- Intravenous immunoglobulin (IVIG) in suspected or subsequently proved neonatal infection, 1998, Cochrane Database of Systematic Reviews (complete)
- Effectiveness of immunoglobulins for the prevention of systemic infections: a meta-analysis of 8 clinical studies in premature infants (1995), DARE-assessed review
- Studies evaluating high-dose acyclovir, intravenous immune globulin, and cytomegalovirus hyperimmunoglobulin for prophylaxis against cytomegalovirus in kidney transplant recipients (review), (1996), DARE-assessed review
- Anti-D administration in pregnancy, Cochrane Database of Systematic Reviews (complete)
- Anti-RH-D prophylaxis in ICU, Cochrane Database of Systematic Reviews (complete)
- Severe chickenpox associated with systemic corticosteroids, CP February 1994; **20**: 1-2
